Completing this application does not guarantee a scholarship award. Scholarship awards are determined based on financial need, previous camp attendance, previous scholarship awards, teacher/community reference, and 4-H involvement outside of camp. Failure to turn in all pieces of the application and/or provide requested information is reason to reject the application. Scholarship committee decisions are final and confidential. Please note that almost all scholarships are partial scholarships and that you should plan to save for the remaining camp fee. The entire camp fee is due by June 20, 2023. If you choose not to accept the scholarship and not attend camp, your deposit will be refunded to you. Scholarship decisions will be announced in May.
